

STAND UP *for* NORTH DEVON!

Stop the Government forcing these changes on us!

- ▶ Do you want a Council too big to listen to you?
- ▶ Do you want a Council too remote to understand local issues?
- ▶ Do you want a Council that's too far away to visit?

That's what you'll get with a
Full Devon unitary.

Stop the Unitary. Act now!

**This change
will affect you!**
Tell the Boundary
Committee what you

First it was local post
offices that faced the
axe, then it was your
phone boxes, and now
it is your local council
that is under threat!
Where will it end?
