NOTE – THE FOLLOWING DOES NOT FORM PART OF THE BYELAWS

Proprietors shall take all reasonable steps to ensure compliance with these byelaws by persons working on premises. Section 16(9) of the Local Government (Miscellaneous Provisions) Act 1982 provides that a registered person shall cause to be prominently displayed on the premises a copy of these byelaws and a copy of any certificate of registration issued to him under Part VIII of the Act. A person who contravenes section 16(9) shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 2 on the standard scale (see section 16(10)).

Section 16 of the Local Government (Miscellaneous Provisions) Act 1982 also provides that any person who contravenes these byelaws shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 3 on the standard scale. If a person registered under Part VIII of the Act is found guilty of contravening these byelaws the Court may, instead of or in addition to imposing a fine, order the suspension or cancellation of the person's registration. A court which orders the suspension of or cancellation of a person's registration may also order the suspension or cancellation of the registration of the premises in which the offence was committed if such premises are occupied by the person found guilty of the offence. It shall be a defence for the person charged under the relevant sub-sections of section 16 to prove that he took all reasonable precautions and exercised all due diligence to avoid commission of the offence.

Nothing in these byelaws extends to the practice of acupuncture, or the business of tattooing, semi-permanent skin-colouring, cosmetic piercing or electrolysis by or under the supervision of a person who is registered as a medical practitioner, or to premises in which the practice of acupuncture, or business of tattooing, semi-permanent skin-colouring, cosmetic piercing or electrolysis is carried out by or under the supervision of such a person.

Nothing in these byelaws extends to the practice of acupuncture by or under the supervision of a person who is registered as a dentist, or to premises in which the practice of acupuncture is carried out by or under the supervision of such a person.

The legislative provisions relevant to acupuncture are those in section 14. The provisions relevant to treatment other than acupuncture are in section 15.

The key differences in the application of requirements in respect of the various treatments are as follows:

The references in the introductory text to provisions of section 14 (acupuncture) of the Local Government (Miscellaneous Provisions) Act 1982 only apply to acupuncture.

The references in the introductory text to provisions of section 15 (tattooing, semi-permanent skin-colouring, cosmetic piercing and electrolysis) of the Local Government (Miscellaneous Provisions) Act 1982 do not apply to acupuncture.

The references in paragraph 1(1) in the definition of "premises" to provisions of section 14 (acupuncture) only apply to acupuncture.

The references in paragraph 1(1) in the definition of "premises" to provisions of section 15 (tattooing, semi-permanent skin-colouring, cosmetic piercing and electrolysis) do not apply to acupuncture.

The requirement in paragraph 2(2) that treatment is given in a treatment area used solely for giving treatment applies to acupuncture, tattooing, semi-permanent skin-colouring, cosmetic piercing and electrolysis but not to ear-piercing or nose-piercing using a hygienic piercing instrument.

The requirement in paragraph 2(3) that the floor of the treatment area be provided with a smooth impervious surface applies to tattooing, semi-permanent skin-colouring and cosmetic piercing but not to acupuncture or electrolysis or ear-piercing or nose-piercing using a hygienic piercing instrument.

The requirements relating to dye or a container used to hold dye used for treatment in paragraphs 3(1) (a) (iv) and (v) apply to tattooing and semi-permanent skin-colouring.

The requirement in paragraph 4(1)(a)(iii) that an operator wears disposable examination gloves that have not previously been used with another client does not apply to acupuncture otherwise than in the circumstances described in paragraph 4(3)

The provisions of paragraph 4(2) in relation to washing facilities apply to cosmetic piercing using only a hygienic piercing instrument. The exception whereby the byelaws do not apply to treatment carried out by or under the supervision of a dentist applies only to acupuncture (see section 14(8) of the Act).
