

Equality Impact Assessment

Service Area: Governance

Head of Service: Adam Tape

Lead Officer: Lucy Wheeler

Date of Assessment: 02/11/2021

Person responsible for completing the assessment: Sarah Hambleton

Email address: communities@northdevon.gov.uk

Name of policy/function/project/service area to be assessed: Section 106 / Public Open Space

Brief description of proposal to be assessed: Allocation of S106 public open space funds towards a number of projects within the district, across communities of Filleigh, Witheridge and Newton Tracey.

Proposed implementation date of project/proposal: From date of committee through to end of 2022

Brief description of the anticipated outcomes of the proposal:

Provision	Current Arrangement	Proposed Arrangement	Comment
Enhancement of the Filleigh village hall	Outdated worn interior in need of upgrading	Improvements to toilets to ensure safety and accessibility to all users. Replacement light fitting in the main area for better lighting to improve visibility and safety. Replacement flooring to improve accessibility.	The proposed works will aid accessibility and safety within the village hall.
Enhancement of the village hall at Witheridge	Old worn out village hall in major need of upgrade and no longer comply with current building regulations	Upgrade toilets to make them accessible for users with additional needs. Outside the hall, there will be resurfacing work to cover potholes within the car park to ensure those with mobility issues, pushchairs and children can travel safely	The proposed works are to address accessibility issues at the facility. These improvements will have a positive impact on the users.
Refurbishment of the Adventure Playground in Witheridge	Play equipment and safety flooring no longer fit for purpose and need upgrading	Replacement of play equipment to provide accessible equipment for children with additional needs and provision of safety flooring around equipment to provide a safe space for all children of the community to play and socialise in	The play equipment provided will cater for those with accessibility requirements

Provision of a non-turf practice bay at Newton Tracey Cricket Club	Current bays are not fit for purpose due to being old, worn out and uneven	Provide and install a new practice bay to ensure users have a safe space to practice and is accessible to all users	The non-turf practice bay will provide better access than a standard turf alternative

Impact:

Summarise any positive impacts or benefits, any negative impacts (i.e. potential for discrimination, disadvantage or disproportionate treatment) and any neutral impacts and the evidence you have taken into account to reach this conclusion. Be aware that there may be positive, negative and neutral impacts within each characteristic. (NOTE: please refer to the Equality Strategy for the characteristics) Where an impact is unknown, state so, and identify what steps will be taken to address any gaps in data:

Project	Impact
Enhancement of the Filleigh village hall	Positive impact – improving toilets to make them accessible for those with additional needs, flooring replacement to improve safety and mobility access within the hall and lighting replacement to enable better visibility which in turn also improves safety navigating within the hall.
Enhancement of the village hall at Witheridge	Positive impact – providing accessible toilets for those with additional needs to use and also resurfacing potholes to ensure safer travel for those with mobility issues, pushchairs or children.
Refurbishment of the Adventure Playground in Witheridge	Positive impact - provide play equipment specifically for those with additional needs to ensure they can be include within the play area and providing safety flooring to ensure all users can play safely within the play area
Provision of a non-turf practice bay at Newton Tracey Cricket Club	Positive impact – providing a more safe secure space for users to be able to practice, including those with additional needs
