## 1. Introduction

- 1.1 The Council's Environmental Health and Housing Services department has produced this document to set out its fees and charges applicable for the majority of the regimes for which it is responsible. The fees listed do not contain VAT unless specifically listed.
- 1.2 The regimes listed within this document cover a wide range of activities and services ranging from the sale and supply of alcohol, to individuals keeping dangerous wild animals. The purpose of the regimes are specific to the legislation that governs them, but in general are required to protect the public; businesses; ensure fair trading; and ensure the welfare of animals.
- 1.3 The Council has the power to set local fees for certain regimes, however, a number of regimes have fees that have been set by a specific Act or associated regulations. There are three types of fee regime set out within this document, each of which relates to how the fees have been set. These regimes are summarised in the following table:

Type 1 Fee Regime	Type 2 Fee Regime	Type 3 Fee Regime
Fees that are set by statute for which the Council has no power to amend.	A maximum fee cap is set by statute that permits the Council to set a reasonable fee to recover its costs up to that cap.	The relevant statute permits the Council to set its own local fees that will enable it to recover its reasonable costs.

- 1.4 All of the fees within Type 2 up to the relevant cap and all of the fees within Type 3 fee regimes aim to recover the Council's reasonable costs in carrying out its functions for each specific regime. These fees are regularly reviewed with the aim of ensuring as far as possible full cost recovery. The fees relate to that regime only, and all of the income received from fees is used to offset the cost of administering and regulating them. The Council cannot and does not use the income from one specific licensing regime to cover deficits in other regimes.
- 1.5 The Council will aim to undertake a review of Type 2 and 3 licensing regime fees every year. When considering the fees the Council will take into account the costs that it has incurred from the previous year and set a fee based on those costs. If the Council does, in reviewing the fees identify a surplus or a deficit it will adjust the fees accordingly to either reduce the fee levels to reduce the surplus, or increase the fee levels to repay that deficit in costs from previous years. This means that the fees will fluctuate year on year based on the review of income and costs associated with that relevant licensing regime.
- 1.6 This document is intended to contain all of the relevant information relating to fees and payment of those fees that persons, businesses, and their agents require to ensure that they can make valid applications and continue relevant authorised activities.

## **2. European Services Directive**

- 2.1 The Provision of Services Regulations 2009 brought into UK law the requirements of the European Union Services Directive – 2006/123/EC. The Services Regulations contain provisions about the fees which may be charged under relevant licensing regimes within the scope of the Directive. In particular licensing authorities may not set fees that are dissuasive, and any fees must be reasonable and proportionate to the cost of the licensing process and the issuing of the licence.
- 2.2 These provisions have been taken into account in setting the fees set out in this document.

## **3. Hemmings v Westminster City Council**

In addition, the case of Hemming v Westminster City Council has provided further clarification of the type of costs which may be taken into account when setting fees, and when fees may be payable. It was concluded that a licence fee is essentially made up of two parts; the first part for the direct costs of processing an application (Part A), and the second part for the costs associated with running the licensing function (Part B). The latter element included monitoring and enforcement of licensed and unlicensed premises, and this should be reflected in how the fees are charged. The second part of the fee should only be payable if a licence is granted. The case concluded in July 2017 following a judgement by the UK Supreme Court and a copy of the judgement can be found via the link below:

<https://www.supremecourt.uk/cases/uksc-2013-0146.html>

- 3.2 The Council has following this decision, commenced a review of Type 3 regime fees, for which the Directive relates to identify the costs for processing an application through to determination (Part A) and the cost for running and the enforcement of the licensing regime (Part B). These are reflected in the Type 3 regime fees set out in Section 12 of this document.

## **4. Fee Guidance**

- 4.1 Further guidance contained in the following documents has been considered when setting fees.
  - 4.1.1 Local Government Association, Guidance on Locally Set Licence Fees, 2018.
  - 4.1.2 Department for Business, Innovation and Skills, Guidance for Business on the Provision of Services Regulations, 2009.

## **5. Process of Annual Fee Payments**

- 5.1 It is the responsibility of each licence holder to ensure that any relevant annual fee is paid in time. It is the practice of the Council to issue an invoice for annual maintenance fees under the Licensing Act 2003 and Gambling Act 2005. Non-payment may result in enforcement action, including suspension of the licence/ permit until such time as payment is received or revocation of the licence/ permit. See Section 8 for further information.

- 5.2 The payment of annual fees can be paid over the phone, via cheque or online.

## **6. Payment Options**

- 6.1 The Council provides a number of fee payment options. These are:

- 6.1.1 attending Lynton House, Commercial Rd, Barnstaple, Devon, EX31 1DG in person and making a payment by credit or debit card, cheque or postal order
- 6.1.2 making an application online via the online payment system
- 6.1.3 requesting to make payment over the phone using a credit or debit card
- 6.1.4 sending in a cheque or postal order with a paper application form.

### **Online payment**

- 6.2 If an applicant uses the online application process they will be required to make a credit or debit card payment via this process before the application is submitted to the Council. This is the simplest and easiest way of making an application to the Council and paying the required fee.
- 6.3 To apply online for the majority of licence applications please visit the Council's website via [www.northdevon.gov.uk](http://www.northdevon.gov.uk)

### **Telephone payment**

- 6.4 If an applicant wishes to make a paper application, they may contact the Council and make a payment over the telephone. The Council accepts all credit and debit cards with the exception of American Express, Diners, and JCB.

## **7. Refunds**

- 7.1 The Council will not generally refund Environmental Health and Housing fees, particularly where it has incurred costs in accepting and processing applications. Each case will, however, be decided upon merit.
- 7.2 Any requests for a refund must be made in writing to Environmental Health and Housing Services, setting out the reasons for the refund request, which application the request relates to, and providing the required information to enable a potential refund to be processed.
- 7.3 If a fee was paid over the phone then a refund can be made to the same card in which the payment was made from, subject to that card still being within the relevant expiry date.
- 7.4 If a licence, for which a Part B fee is in place is surrendered during the period in which that licence is in force, a refund of the part B fee will be provided based on the number of full months in the outstanding period of that licence. The Part A fee amount is non-refundable as this fee covers the initial processing cost for that application.

## **8. Failure to Make Payment**

- 8.1 If the application fee is not paid, is made via a payment method that isn't accepted, or is not the correct fee amount then the application will be deemed as invalid. This means that if that application process has a consultation period it will not have started and the Council will not be able to determine the application.
- 8.2 In the event of an application being made without a fee, with the wrong payment method or with a fee which is not correct then a member of Environmental Health and Housing Services will attempt to contact the applicant or its agent via email or telephone. If these methods are not available then a letter will be sent to the applicant or agent. The applicant or the agent will be advised of the reasons for invalidity and what can be done to rectify the position.
- 8.3 The best option to address the issues with the fee is to make a payment over the phone via credit or debit card. Once the payment is authorised an officer will be able to confirm that the application is valid and any consultation start dates will be confirmed over the phone.
- 8.4 If no payment is made or no contact is made by the applicant or agent within 14 days of the notification of the application being invalid the Council will close the application. A new application will then be required in full. The applicant or agent will be notified of this in writing if the application is closed.

### **Non- Payment of Annual Maintenance Fees**

- 8.5 The Council sends invoices for annual maintenance fees, to remind licence holders of their annual fee payment due deadline, to inform them of the payment amount and how it can be made. If an annual maintenance fee payment has not been made by the specific deadline, then the Council will subsequently take the required steps which are to suspend the Licensing Act 2003 Premises Licence or revoke the Gambling Act 2005 Premises Licence.
- 8.6 If the licensable activity continues whilst a licence is suspended or revoked the Council will commence enforcement action for the relevant offence of operating without the correct permission being in place. Sanctions relating to the provision of licensable activities without required permissions can include imprisonment, a significant fine or both.

## **9. Criminal Record Disclosures**

- 9.1 The Licensing Team will require applicants to provide evidence of criminal record disclosures to ensure the suitability of applications for certain licences and permits.
- 9.2 There are two primary routes for gaining such checks, and these are dependent on the nature of the licence or permit applied for. They are typically gained either via the Disclosure and Barring Service (DBS) or a Responsible Organisation (a third party registered with DBS). The following disclosure requirements and fees currently apply. Please note that fees are not payable directly to North Devon Council and as such please be mindful that they are subject to change.

- 9.3 All disclosures are handled according to a **Code of Practice**, a copy of which is available on request.
- 9.4 Further information about the DBS is available via:  
<https://www.gov.uk/government/organisations/disclosure-and-barring-service>

### Taxi and Private Hire Driver's Licences

- 9.5 An Enhanced DBS Disclosure is required for a new driver application and every three years thereafter.

Fee for Enhanced Disclosure via the DBS	£44.00
Administration fee for GBG Group PLC (North Devon Council's preferred umbrella body for Enhanced Disclosures)	£11.40 electronic application
	£24.00 non-electronic application

- 9.6 Electronic DBS applications will require payment to be made online to GB Group PLC when drivers make their online application. Non-electronic applications are not recommended but in these cases drivers will need to make the above payment to North Devon Council (who will in turn pay GB Group PLC).
- 9.7 Drivers using GB Group will have a choice of undertaking their ID verification either at the Council (at one of their offices in Barnstaple, South Molton or Ilfracombe) or at Barnstaple Post Office, High Street, Barnstaple. The Council's preference is that drivers use the Post Office for ID verification.

Fee for identity verification with North Devon Council	£6.00
Fee for identify verification with Post Office	£6.00

- 9.8 Where an applicant is unable to verify their identification using Route 1 information, such as a full driving licence, passport and utility bills; the DBS requires identification using Route 2 identification checks (using credit reference agency data). If applicable, a member of the Licensing Team will let you know, as a signed authority is required first before the Council will perform the check. The following administration fee will be payable to North Devon Council in these circumstances to cover the cost of the Route 2 check.

Route 2 check: £10.00

- 9.9 The DBS provides a service called the **Update Service** which for an annual subscription fee allows drivers to keep their DBS Enhanced Disclosure up-to-date and take it with them from role to role, within the same workforce, where the same type and level of check is required. This can save drivers both time and money. Effective from 1<sup>st</sup> April, all existing drivers at renewal, and all new driver applicants will be required to subscribe to the DBS Update service. Registration for the Update Service can be done as soon as you have your application form reference number (produced when you follow the DBS link we send you and add your details to the application online). Or you can wait and register with your certificate number when you receive your DBS certificate. ***If so, you must do so within 19 days of the certificate being issued.***

### **Basic Criminal Record Disclosure**

- 9.10 Basic Criminal Record Disclosures are applicable for licences and permits including, scrap metal site and collector licences, private hire operators (and private hire call handling/ dispatch staff from 1<sup>st</sup> January 2023), personal licences, and gambling related permits etc. The applicant will receive a copy of the disclosure information for their reference and the Council will request to examine this information in order to help determine the outcome of the relevant application. These documents are generally only valid for a limited period depending on the nature of the application (for example when applying for a private hire operators licence the basic DBS disclosure certificate must not be more than 3 months old).
- 9.11 Applicants can gain their Basic Criminal Record Disclosure from a Responsible Organisation (a third party registered with DBS). A list of Responsible Organisations can be found at:
- <https://www.gov.uk/guidance/responsible-organisations>
- 9.12 Cost and return times vary with chosen Responsible Organisation.
- 9.13 For personal licences the alternative is a **Devon and Cornwall Police Access Search** available from:

Data Protection Office  
Strategic Development  
[cornwall.police.uk](http://cornwall.police.uk)  
Devon and Cornwall Police

Exeter  
EX2 7HQ

Tel: 01392 452675  
Email: [www.devon-cornwall.police.uk](http://www.devon-cornwall.police.uk)

- 9.14 Cost approx. £10.00 but return times are longer than a Basic Criminal Record Disclosure completed via a Responsible Organisation.
- 9.15 There is also a nominal fee of £10 for taxi and private hire driver safeguarding training.

**If you have any further queries, please telephone Environmental Health and Housing Services on 01271 388870.**

## 10. Type 1 Regime Fees

### Alcohol, Regulated Entertainment Etc.

- 10.3 Some newly built premises may not have a rateable value when an application is being made. Open spaces will not normally not have a rateable value and as such are unlikely to appear on the VOA site. In these cases applicants should make the application and pay the Band A fee level. When a rateable value of a premises is amended, any annual fee that becomes due will also be amended to reflect any change.
