Impact:

Summarise any positive impacts or benefits, any negative impacts (i.e. potential for discrimination, disadvantage or disproportionate treatment) and any neutral impacts and the evidence you have taken into account to reach this conclusion.

Be aware that there may be positive, negative and neutral impacts within each characteristic. (NOTE: please refer to the Equality Strategy for the characteristics) Where an impact is unknown, state so, and identify what steps will be taken to address any gaps in data:

We have considered those in the equality groups and are satisfied that this report/decision would have no effect or repercussions on those groups. Therefore there is a neutral impact.

Consideration of Alternatives:

Describe what alternatives have been considered and/or what actions will be taken to remove or minimise any potential negative effect identified above (attach evidence or provide link to appropriate data, reports, etc):

N/A

Consultation:

Brief description of any consultation with stakeholders and summarise how it has influenced the proposal. Please attach evidence or provide link to appropriate data or reports:

Electoral roll checks to ensure population remains under 3000 in Rural Settlement areas

Funding Considerations:

None

Reporting and Publication:

Equality Impact Assessments will be published on North Devon Council's website.

The completion of an Equality Impact Assessment is an ongoing process. Impacts will be continually reviewed during projects and the decision making process and the Assessment will be updated accordingly and published.

A further assessment will also be undertaken between 6 to 12 months following the implementation of the policy, project, decision or service change has been implemented.

Please also confirm the date on which you will be re-considering the project/report and submitting a further EIA if applicable.

December 2022
