OPERATING SCHEDULE
When do you want the premises licence to start? Mathematical Content of the premises of the premise of the premises of the premise of the premises of the premise of the prem
If you wish the licence to be valid only for a limited period, when do you want it to end dd mm yyyyy
Provide a general description of the premises
For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off- supplies you must include a description of where the place will be and its proximity to the premises.
Barnstaple Pannier Market is a large historic indoor market hall located in the centre of Barnstaple, North Devon. The premises are traditionally used for markets, fairs, and community events, and provide a flexible open-plan layout suitable for a variety of activities including retail, food and drink, live entertainment, and cultural events.
The building benefits from multiple entrances and exits, wide open aisles, and high ceilings, allowing safe circulation of visitors and ease of supervision during events. Emergency exits are clearly marked and maintained in accordance with fire safety requirements.
The premises will be used for the sale of alcohol for both on-site consumption (during events, markets, and performances) and for off-sales (such as sealed containers purchased from market stalls to take away). Off-sales will be for consumption away from the immediate premises, and there will be no designated external area adjoining the building for on-site drinking of off-sales.
The market is situated within Barnstaple town centre, with good access to public transport links, car parks, and taxi ranks, providing safe arrival and dispersal options for visitors.
The premises will operate with appropriate measures in place to uphold the four licensing objectives, including security arrangements for larger events, staff training, and policies to ensure the safe and responsible sale of alcohol.
If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Ensuring all staff are fully trained in licensing law, age verification, and responsible service of alcohol, with regular refresher training.

Adopting and enforcing a Challenge 25 policy to prevent underage sales of alcohol.

Operating a comprehensive CCTV system, covering key internal and external areas, with recordings retained and made available to responsible authorities on request.

Employing SIA licensed door supervisors for larger or late-night events, with incident and refusals logs maintained.

Carrying out regular risk assessments for events and activities, ensuring appropriate safety, crowd management, and emergency procedures are in place.

Implementing a noise management plan, including monitoring sound levels during events and managing dispersal of customers to minimise disturbance to neighbours.

Displaying clear signage reminding customers to respect the local community, leave quietly, and dispose of litter responsibly.

Restricting the admission of children to events where the entertainment is considered unsuitable, and ensuring safeguarding policies are in place.

Working in close cooperation with the Police, Fire Service, Environmental Health, and other responsible authorities to ensure ongoing compliance and high standards of operation.

b) The prevention of crime and disorder

A comprehensive CCTV system will be installed and maintained, covering entrances, exits, and key public areas, with recordings kept for a minimum of 31 days and made available to the Police and other responsible authorities on request.

SIA licensed door supervisors will be employed for larger or late-night events to manage entry, monitor conduct, and assist with dispersal of customers.

A Challenge 25 policy will be in place to prevent underage sales of alcohol, with staff trained to request and check acceptable forms of ID.

All staff will receive training in responsible alcohol sales, including how to recognise and refuse service to intoxicated or aggressive customers.

Incident and refusals logs will be maintained, recording details of any refusals, ejections, or security incidents, available for inspection by responsible authorities.

Close cooperation will be maintained with the Police, licensing officers, and other agencies to ensure a safe and secure environment.

Continued from previous page...

Clear signage will be displayed to deter anti-social behaviour and encourage responsible conduct on and around the premises.

Continued from previous page...

c) Public safety

The premises will comply with all relevant fire safety, health and safety, and building regulations.

A full fire risk assessment will be maintained, with emergency exits clearly marked, well lit, and kept unobstructed at all times.

First aid kits will be available on site, and trained first aiders will be present during larger events.

Capacity limits will be set in line with fire and safety assessments, with crowd management procedures in place to prevent overcrowding.

Regular safety checks will be carried out on electrical equipment, staging, and temporary structures used during events.

Security and staff will be briefed on emergency and evacuation procedures before each event.

Clear signage will direct customers to facilities and emergency exits, and stewards will be on hand to provide assistance where required.

For larger events, an event management plan will be prepared, covering security, stewarding, medical provision, and contingency arrangements.

d) The prevention of public nuisance

Doors and windows will remain closed during amplified entertainment, except for access and egress.

Clear signage will be displayed at exits reminding customers to leave the premises quietly and respect neighbors.

Staff and security will assist with the orderly dispersal of customers at the end of events, with particular attention to minimising noise late at night.

Waste will be managed responsibly, with regular disposal of litter and recycling to prevent nuisance or obstruction.

Delivery and collection times will be scheduled to minimize disruption to the local community.

The premises will cooperate with Environmental Health officers and respond promptly to any concerns raised.

e) The protection of children from harm

A Challenge 25 policy will be enforced, requiring anyone who looks under 25 to provide valid ID before purchasing alcohol.

Only PASS-accredited cards, passports, or photo driving licences will be accepted as proof of age.

All staff involved in alcohol sales will receive training on underage sales prevention and safeguarding responsibilities, with refresher training provided regularly.

A refusals log will be kept and made available to licensing authorities on request.

Children will only be admitted to age-appropriate events. After 21:00, children must be accompanied by a responsible adult.

Any events with adult themes or content unsuitable for children will be clearly advertised and access will be restricted.

Adequate supervision and stewarding will be provided during family and community events to ensure child safety.

The premises will work in line with local safeguarding policies and report any concerns promptly to the appropriate authorities.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-

 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph:
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
